## Commercial Refrigeration Equipment General Specification

### VUEMAX SERIES—OPEN-AIR MERCHANDISERS

Three different sizes to choose from (7, 12 or 18 cubic feet).  
Certified for packaged product. Ideal for gourmet shops, delicatessens,  
convenience stores and bakeries.

### CABINET CONSTRUCTION

Exterior finish is heavy-duty steel with a baked on durable paint.  
Gray exterior finish with stylish impact bumper for added protection.

Foamed-in-place CFC free polyurethane insulation enhances the struc-  
tural strength of the cabinet and helps increase energy efficiency.

Glass sides constructed to enhance product visibility from different  
angles.

Shelves included can be installed in 2 positions for display flexibility.

Night curtain comes standard and helps save energy and maintain  
cabinet temperature.

6" adjustable legs standard.

### REFRIGERATION

Whisper-quiet refrigeration system uses R134a refrigerant, which is  
CFC-free for compliance with environmental safety concerns.  
Maintenance-free condenser slides out for easy service.

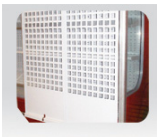

Electronic temperature control displays internal cabinet temperatures.  
Operating temperatures from 39°F to 43°F.  
Intended for use in rooms having ambient conditions of  
75°F/55% relative humidity.

### ELECTRICAL

Excellent interior lighting enhances product illumination.
