

MIX'N MACHINE®

Create Popular Frozen Treats

The Mix'n Machine easily mixes candy, cookies, or fruit with ice cream or frozen yogurt for exciting and highly profitable mix-in treats and shakes. Engineered for outstanding durability and convenience, the Mix'n Machine is a favorite in the frozen treat market.

Smart Product Design

- Brushless induction motor for durable and consistent speed regardless of blend thickness
- Protective, removable splash guard for easy clean-up
- Variety of efficient agitator options allows you to mix both hard and soft ice cream and yogurt

Mix-in treats
